Reference: L. L. Harrington Letter to J. C. Patterson dated 26 July 1983

REGISTERED MAIL - RETURN RECEIPT

Dear Mr. Harrington:

This letter is in response to your referenced letter and discussion conducted with Stephen Busch of your office.

The enclosures to this letter are revisions to our original application. These enclosures incorporate the response to your referenced letter as well as all of our previous responses to either EPA or Missouri DNR. We have provided the revisions at the direction of Stephen Busch.

When these enclosures are placed into your copies of our "Part B" permit application, that permit application will then include all of the answers that we have provided to you and the Missouri DNR in our correspondence between 06 October 1982 and 12 September 1983.

We are forwarding a copy of this letter, with five (5) copies of the revised pages, to Missouri DNR for their inclusion in our state permit application. This will ensure that both EPA and Missouri DNR will have duplicate sets of our "Part B" filing.

We hope that this information is sufficient to meet your needs. If you have any questions, please contact us.

Sincerely,

MCDONNELL AIRCRAFT COMPANY
